3.14.2022

Conference Mission: The Primary Care Matters conference is hosted by the Kootenai Clinic Family Medicine Residency in Coeur d'Alene in partnership with Kootenai Health and the Idaho Academy of Family Physicians with the mission to bring an annual high quality CME event to North Idaho. In doing so, we hope to see growth in evidence-based medicine, greater connections between rural communities and recognition of the importance of primary care.

COVID-19 Guidelines, Cancellation and Refunds: This conference is expected to take place in-person. Vaccination is highly encouraged, but not required. Local public health recommendations at the time of the conference will be followed including masking and social distancing. The conference will be cancelled at least one month prior to the event if it's recommended to avoid group gatherings. Conference cancellations prior to July 6, 2022 will receive a full refund. Lodging cancellations will follow hotel policies.

Fundraising and Exhibits: Primary Care Matters 2022 is a non-profit event hosted by Kootenai Health and the IAFP. All proceeds will be donated to the Kootenai Health Foundation Rural Training Fund which assists medical students and residents while training in rural north Idaho communities.
