Get Involved in the Idaho Academy

The IAFP is always looking for ways to connect with our members. We want you to get the most out of your membership that you can! We have created a form for new and current members to get more involved in the IAFP. This form shares current opportunities available, including different active committees, board leadership, advocacy work, mentorship, and more. Visit

<https://forms.gle/XSJn6Pa8o7bJUG1NA> to fill out the form.

Connect with the Idaho Academy of Family Physicians
